

# CONNECT with PEERS® for Adults

A social skills program designed to bring adults (ages 19 years or older) together to connect and build friendships. The PEERS® curriculum is evidence-based and focuses on teaching friendship skills, and important social behaviours.

Weekly caregiver/support staff coaching sessions will be running concurrently to support skill development and maximize success of participants.

*Maximum number of participants is 10 and a pre-screen interview to confirm eligibility will be required prior to confirmation of registration. This group is offered to residents living in British Columbia.*

<b>Start Date:</b>	September 8, 2022
